CHINESE CRIMINALS.

Germany Issues Another Note Regarding Proper Punishment.

INSTRUCTIONS TO MINISTER CONGER.

Americans in China Dispensed With Withdrawal of United States Troops From Peking—Proposal Of France and Russia.

Berlin, Oct. 4.—Germany has issued a second note to the powers regarding the method of securing punishment for those guilty of the outrages in China, as a result of the edict of the emperor of China beginning proceedings against Prince Tuan and others. On the assumption that the edict is genuine, the German government further proposes to the powers to come to an agreement to instruct their diplomatic representatives in China to examine and give their opinion on the following points: Whether the list contained in the edict of persons to be punished is sufficient and correct; whether the punishments proposed meet the case; in what way the powers can control the carrying-out of the penalties imposed. Information received concerning the reception of the proposal by the powers justifies the belief that a general understanding on this matter may be looked for.

Franco-Russian Proposal.
Washington, Oct. 4.—The French government, through M. Thiebaut the French chargé d'affaires, presented to Secretary Hay a program for the complete settlement of the Chinese difficulty and at the same time the Russian government, through M. De Woliant, seconds the French proposal, thus making it a joint Franco-Russian proposition. The proposal is under four heads as follows: Punishment of the guilty Chinese officials; interdiction of arms and munitions of war to China; payment of indemnity to the powers; sufficient Chinese guarantees for the future. The proposal further asks for a competent legation guard at Peking, the razings of the Taku forts and their destruction and the establishment of a line of communication between the seaboard and Peking.

Americans Dissatisfied.
Tien Tsin, Oct. 1, via Shanghai, Oct. 4.—At a meeting of American citizens at Tien Tsin the following resolutions were adopted: We, the citizens of the United States, deplore the contemplated withdrawal of a large part of the United States troops in North China. We feel the work of the allied armies is far from accomplished and that the refusal of the American government to take its part therein, is sure to be regarded by the allies as an unworthy act, and by the Chinese as a sign of indifference. We urge our government to carry on an end the work it has so honorably and efficiently begun, and to maintain a sufficient force here to secure the protection of American mercantile and missionary interests until a settlement of the present trouble is accomplished.

Instructions to Conger.
Washington, Oct. 4.—The United States government has taken another decisive step in the development of the Chinese situation in a note delivered by Secretary Hay to the German chargé d'affaires, Baron Von Sternberg. In the note favorable action by this government on Germany's latest suggestion concerning the punishment of Chinese criminals is expressed. Announcement is made that instructions have been sent to Minister Conger along the lines indicated. Mr. Conger is directed to learn the names of Chinese offenders who are to be punished; whether the punishment to be administered is adequate, and whether the punishments are actually administered.

Bogus Edicts Circulated.
New York, Oct. 4.—A dispatch from Hongkong says the whole delta land between the Canton and West rivers is in a state of dangerous irritation in consequence of the circulation of bogus edicts telling of the defeat of the allies and of the machinations of secret societies. Rioters are marauding and plundering the villages, especially the houses of converts. British gunboats are patrolling the waterways. This has had a salutary effect in preventing attacks on steamers.

Reception to Von Waldersee.
Peking, Sept. 29.—The commanders of the international forces are arranging for a combined reception of Field Marshal Count Von Waldersee. A detachment of mixed cavalry will escort him from Tung Chow to this city. The members of the diplomatic corps are still of the opinion that only Prince Ching and Li Hung Chang can be recognized as peace negotiators.

YAQI PEACE ENVOYS Return to Their Tribe Having Failed In Their Mission.

Hermosillo, Mexico, Oct. 4.—Negotiations between the five Yaqui Indian emissaries and President Diaz for the settlement of hostilities between the Yaquis and the Mexican government have failed to accomplish anything and the peace envoys have arrived here on their way home from the City of Mexico. They report that President Diaz refused to consider their proposal for peace, as he looked upon it as granting too many concessions to the Indians. These emissaries belong to the peace faction of the tribe and hope to secure a modification of the original proposal that will be acceptable to the Mexican authorities and bring about a termination of the disastrous war. Fighting continues and the government troops make slow but steady advances into the Indian country.

ANOTHER EXPEDITION Sent by MacArthur to Rescue Shields And Suppress Filipinos.

Washington, Oct. 4.—General MacArthur cables from Manilla that he will send the First Infantry to Marinduque Oct. 5 on the Sumner. General Hare is to command the island with orders to push operations until the Insurrection is stamped out absolutely. He will have 12 full companies of the infantry for the purpose. Anderson's first operations developed nothing, no report having been received therefrom since Oct. 2.

Marinduque is where Captain Shields and 51 men of the Twenty-ninth volunteer Infantry were either killed or captured by the insurgents. General MacArthur sent Colonel Anderson and two companies of the Thirty-eighth volunteer Infantry with the Yorktown and two gunboats to the relief of Shields and his command if they were still alive.

In Evidence of Good Faith.
Manilla, Oct. 4.—The new Philippine commission Thursday appropriated \$287,000 (Mexican) for the payment of sundry expenses incurred by the military for the benefit of the insular government during September and also donated \$1,500 (Mexican) to the widow of the loyal and efficient Filipino president of the town of Santa Cruz, who was revengefully murdered by the insurgents. The purpose is to show the United States government's intention to protect its friends and faithful servants, the Ilocos of Panay Island and its civil government.

Fusion Demonstration.

Lincoln, Neb., Oct. 4.—Following the Roosevelt demonstration the fusionists of Nebraska held a counter rally, with Senator Wellington of Maryland and ex-Governor Hogg of Texas as speakers. The crowd in the city was very large. Marching clubs escorted the speakers to the state capitol grounds, where the principal meeting was held. Governor Hogg confined his address to an answer of Governor Roosevelt. Senator Wellington accused the president of inducing him by false pretenses to vote to ratify the treaty of Paris.

Coincounter Captured.
Wichita, Kan., Oct. 4.—T. M. Frantz, said to be the leader of a gang of alleged counterfeiters, was arrested here. He lives at Canton, Kan., and is a man who stood high in that community. The coins are made of Mexican silver dollars and Galena lead. Frantz is said to have coined the money. George Ball, Isaac Ball and Frank Nolan are in the federal jail at Fort Scott, accused of passing the coins at Galena and Joplin.

Sympathy Overcame Hate.
Ironton, O., Oct. 4.—John Poole, husband and father of the two women, Mrs. Poole and Mrs. Moore, in jail here for complicity in the Noble murder, is here to attend their preliminary trial. He has not lived with his wife for two years, but hearing of her serious trouble he is here from Cleveland to aid and protect his family.

Accept Reduced Wages.
Bloomsburg, Pa., Oct. 4.—Employees of the Reading Iron company have agreed to accept the 25 per cent cut in their wages. Their action this time is final as the men have already returned to work. The Daville rolling mills have also resumed work after an idleness of several months.

Pioneer Oil Driller Dead.
Santa Barbara, Cal., Oct. 4.—Benjamin B. Camobell, a well known attorney of Pittsburgh, Pa., is dead in this city aged 73 years. He sank the first oil well ever put down in the United States. A daughter, Mrs. Margaret Deland, the authoress, survives him.

Norwalk, O., Oct. 4.—Frank Howard, 24, went hunting. His lifeless body with the back of his head blown off was found in the woods. It is not known whether his death was by suicide or accident.

THE SECOND BATTLE.

Followers of McKinley and Bryan Wage Political Warfare.

BIG DAY FOR DEMOCRATIC CLUBS

Republicans of Old Bay State Choose A Ticket and Adopt a Platform That Stands by Administration. Hanna to Make a Tour.

Indianapolis, Oct. 4.—The morning session of the National Association of Democratic clubs was not called to order until 10:30 o'clock. Governor McMillan of Tennessee presided.

The report of the committee on permanent organization recommended that the following officers be elected: W. R. Hearst, president, Max Hanson secretary, Marcus Daly treasurer. It was also recommended that the executive committee, which now consists of 17 members, be increased to 45 members, a member from each state.

The convention unanimously decided not to increase the membership of the executive committee. The balance of the report on permanent organization was adopted.

Speeches were made by Governor McMillan, Lewis G. Stevenson of Illinois, son of the Democratic candidate for vice president; August Thomas of New York, the playwright; George B. McClellan of New York.

The speakers of the afternoon were Adlai E. Stevenson and William Jennings Bryan. Mr. Bryan arrived at 3 o'clock.

Massachusetts Republicans.

Boston, Oct. 4.—The Republicans of Massachusetts held their state convention Thursday. A full state ticket, two presidential electors-at-large and an elector from each congressional district were named. Chairman Goeting of the state committee called the delegates to order and was elected temporary chairman. Congressman George B. Lawrence was chosen permanent chairman. The following ticket was nominated: For governor, Whittaker Murray Crane; lieutenant governor, John I. Bates; secretary of state, William M. Olin; state treasurer, Edward S. Bradford; attorney general, Hosea M. Knowlton, all renominations. Governor Crane was introduced and spoke briefly. The platform strongly endorses the Philadelphia platform and McKinley's administration.

Bryan's Ohio Itinerary.

Columbus, O., Oct. 4.—Following is the itinerary for Mr. Bryan's trip through Ohio: Friday, Oct. 12—Toledo, Bowling Green, Kenton, Bellfontaine, Urbana, Springfield, Dayton, Xenia, Washington C. Negroes Control Convention.

Columbia, S. C., Oct. 4.—In the Republican state convention here, for the first time since they were given the right to vote, the negroes took entire control of the Republican organization. E. H. Deas, a negro, displaced R. R. Tolbert, white, as chairman of the state executive committee, and General Robert Small, a negro, was re-elected vice chairman over J. H. Wheeler, a white man. The attempt to nominate a state ticket failed.

Women's Bryan League.

Indianapolis, Oct. 4.—Brief addresses were made by Mrs. Eva McDonald Vallish of Washington, D. C., and Mrs. Marliah E. Walker of Chicago, president of the National Women's Bryan League at the league meeting. Hon. M. L. Lockwood of Pennsylvania, president of the National Anti-Trust league, was introduced and delivered an address, at the conclusion of which the convention recessed until 2 o'clock.

Roosevelt to Visit Canton.

Canton, O., Oct. 4.—It is announced that Governor Roosevelt will come to Canton the morning of Oct. 18 for a 30-minute stay. In that time he will make a speech from the McKinley porch while his train is being transferred from one railroad to another. It is probable that the president will introduce him.

Sickles on the Stump.

Chicago, Oct. 4.—Under the auspices of the Republican national committee General Daniel Sickles of New York will begin an extended tour Friday, speaking in Maryland, West Virginia, Tennessee, Ohio, Indiana, Illinois, Nebraska and Kansas. His tour will close Nov. 2.

Hanna's Speech Making Tour.

Chicago, Oct. 4.—Senator Hanna an-

nounced that he will give more than a week outside of Illinois to making speeches for McKinley and Roosevelt. He will join Senator Frye of Maine on a tour of Wisconsin, Nebraska and South Dakota, and probably Kansas.

MISSIONARIES CENSURED.

Peace Congress Resolutions on the Chinese Embargo.

Paris, Oct. 4.—The International congress of Peace in session here passed several resolutions concerning the policy in China. The congress resolved that the action of the missionaries was often intolerant; that their religious propaganda should not be backed up by diplomatic or military force; that they should go into China at their own risks and perils; that Europe should abandon any religious protectorate in China; that forcible annexation of territory, especially that held sacred by the Chinese, should cease; that the powers should attempt to establish a stable native government, capable of undertaking internal reforms, and that the open door for the honest commerce of the world on equal terms is the only policy which gives any guarantee for the country's future peace and stability.

Honors to the Dead Baron.

Taku, Oct. 1.—The dowager empress has deputed the highest official of the empire to make all necessary arrangements for a most imposing funeral in honor of Baron Von Ketteler, the late German minister to China. She has also ordered the erection of a suitable temple at the capital to his memory. The superintendent of trade at Tien Tsin has been ordered to meet the body on its arrival here and the highest officials at other ports will pay the greatest honor to the dead.

Mine Abandoned.

Shamokin, Pa., Oct. 4.—The Nelson shaft operated by J. Langdon & Co. of Elmira, N. Y., and employing 800 men and boys, was abandoned on account of the coal supply being almost exhausted. A mine has been burning there almost two months. The breaker will be torn down and the machinery disposed of to other coal companies. The shaft has been in operation 14 years.

Killed In Collision.

Newport, Vt., Oct. 4.—A helper going north to meet a freight train collided with a spur train on North Derby curve. Archie Boxman, fireman on the helper was killed and 11 others were injured. Harry Stratton, who was on his way here to be married was probably fatally injured.

Sherman Wants to Pair.

Mansfield, O., Oct. 4.—A letter from Senator Sherman's son-in-law, J. F. MacCallum seeking to arrange a pair with some Democrat for election day, also announces that Mr. Sherman does not intend to dispose of his residence, as he will return in the spring if health permits.

More Corpses Found.

Galveston, Oct. 4.—The finding of bodies seems never ending, 25 a day being recovered. It is certain now the deaths in the city will exceed 5,000 beyond the city limits 1,200 and on the mainland more than 1,000. Commercial conditions are improving hourly.

Cotton Conference.

Philadelphia, Oct. 4.—The conference between committees representing the Southern Cotton Spinners' association and the Yarn Merchants' association, with reference to a revision of prices for yarn, decided upon an average increase of 20 per cent.

Pumper's Pride Hurt.

Akron, O., Oct. 4.—John Brown an inmate of the county infirmary, drowned himself in a pool of water because other inmates were given new clothes. He wanted to go to the county fair but hadn't clothes good enough.

Heavy Storms in France.

Paris, Oct. 4.—Heavy storms throughout France have done much damage to property and live stock. Many of the rivers are overflowing, devastating wide tracts. The vine growing districts are the greatest sufferers.

Raid on Non-Union Mines.

Evansville, Ind., Oct. 4.—A delegation of 200 union miners crossed the Ohio river to Basket Station, Ky., closed mines operated by non-union labor and gave notice that the miners must be unionized.

Engineer Killed.

Tiffin, O., Oct. 4.—Edward Lewis of Tiffin, O., engineer on B. & O. was killed by his own engine at Chicago, O. He was under the engine making repairs unknown to fireman who started to back down.

Shelby, O., Oct. 4.—A. J. Kern, a young newspaper man here, was attacked by footpads and robbed of \$12. His skull was fractured and it is feared he cannot live. His family lives in Mansfield, O.

STRIKERS ARE FIRM.

They Will Stand by Their Leaders Till the End.

OPERATORS CANNOT SHAKE THEM

Moral Suasion Had a Pacific Effect On Two Marching Bodies of Strikers—Unions Preparing to Care for the Needy.

Hazleton, Pa., Oct. 4.—The only incident in the Hazleton region worth mentioning was the march of about 200 mine workers to the shaft of the Lehigh Valley company's mines, where they expected to get more men to quit. Sheriff Harvey was informed of the move and was waiting for the marchers at the shaft when they reached there at 5 o'clock. The sheriff had several deputies and a half dozen Lehigh Valley coal and iron police. They were kept in the background while the sheriff reasoned with the men in an effort to induce them not to go on company property. He told them if they placed a foot on private ground he would be compelled to arrest them for trespass. The strikers took his advice and dispersed without even attempting to carry out their plans. Sheriff Harvey's mild method of treating with marchers has won the confidence of the men.

Concessions Ignored.
Shenandoah, Pa., Oct. 4.—The new concessions announced Wednesday by the Philadelphia and Reading Coal and Iron company were not sufficient to induce the striking mine workers of the Schuylkill region to return to the collieries. Mr. Pottier, organizer and leader, says the strikers are determined to remain out until ordered to work by the Mine Workers convention or by President Mitchell. In anticipation of a long strike, local unions appointed a committee to investigate cases of need among families of strikers.

Marched on Treverton.
Shameckin, Pa., Oct. 4.—A Polish band started out at Mount Carmel to gather strikers to march on North Franklin colliery near Treverton, seven miles west of here. The crowd at 2:30 numbered 600 and by 6 o'clock, when the march began, it numbered several thousand. They passed through here where local strikers joined the march. This is the only colliery working for the Reading company. The mines are heavily guarded by coal and iron police. The Treverton men want to work.

Persuaded Not to March.
Shamokin, Pa., Oct. 4.—A number of strikers from the vicinity of Mount Carmel intended to form a column to march on the Treverton and North Franklin collieries which are operating almost full-handed. It was their plan to visit homes of the workmen and endeavor to persuade them to tie up the plant. As the plant is heavily guarded by police, several leaders prevailed upon the strikers to abandon the expedition.

More Collieries Closed.
Pottsville, Pa., Oct. 4.—The Reading company's colliery employing about 900 hands in the west end of Schuylkill county and the colliery of Losch Moore & Co. in Rausch creek valley employing 200 hands, shut down. All the collieries in this county are now idle in consequence of the strike. About 200 mine workers at Pine Grove have joined the miners' union.

Futile Efforts.
Scranton, Pa., Oct. 4.—In spite of every preparation made by the Delaware, Lackawanna and Western company to get at least one of its collieries into operation Thursday it was unable to do so.

Train Robber Killed.
.Omaha, Oct. 4.—Two train robbers held up a Burlington train three miles south of Council Bluffs, and compelled engineer to detach and run off baggage and express cars. The engineer was then forced to blow open express car door with dynamite. While one robber stood guard another entered the car, but fled upon hearing a shot. Express Messenger Baxter had shot dead the robber guarding the trainmen. The dead bandit was a powerfully built man about 45. The dead robber has been identified as a man who worked a short time recently in a barber shop in Council Bluffs. Little can be learned of his past life or antecedents. The sheriff's posse is still in pursuit of his companion, but has not succeeded in capturing him.

WHEN Mr. Bryan goes to New York on the 14th inst., he will meet with a very different reception from that which he experienced in 1896. When he appears at Madison Square Garden this year he will be escorted by a procession of 100,000 men under the personal direction of the Democratic boss who went to Europe in 1896 to avoid meeting him. Democratic clubs will be brought from all the towns and cities within three hours' ride by railroad of New York, 134 bands have already been engaged to furnish music, and, according to the stories they tell at the Democratic headquarters, contracts have been entered into for \$15,000 worth of fireworks and search lights that will be placed at intervals along Fourth avenue and Fifth avenue so that the night will be turned into day.

Hon. James N. Kehoe speaks at Carlisle next Monday afternoon.

CRAIN-RAY NUPTIALS.

A Fleming County Gentleman Weds One of Mason's Fair Daughters—Married Thursday Afternoon at Bride's Home.

The marriage of Mr. James Harrison Crain and Miss Annie Alice Ray, daughter of Mr. and Mrs. W. D. Ray, of Helena, took place Thursday afternoon, October 4th. The ceremony was performed at the home of the bride's parents at 1 o'clock, Rev. W. W. Spates, of Flemingsburg, officiating.

The bridegroom's best man was Mr. T. W. Ray, brother of the bride, and Miss Rena Mae Coryell was the bridesmaid.

The bride was very lovely in an elegant traveling suit of blue golf cloth, and carried a large cluster of Bride's roses. The charming bridesmaid wore a tailor-made suit of blue covert cloth, and carried a large bunch of Mareschal Nelroses.

The party entered the parlors to the strains of Mendelssohn's wedding march, played by Miss Nettie Cord.

The home was thronged by friends and relatives of the couple, and at the close of the ceremony good wishes and congratulations were showered upon them.

Among those present from a distance were Mr. and Mrs. Henry Ward, Flemingsburg, Mrs. Phoebe Pollock and daughter Frazee, Germantown, Mr. and Mrs. L. P. Fronk, Lexington, Mr. and Mrs. Yancey Ray, Fairview, Mr. and Mrs. John McDaniel, Nepton, Mrs. M. W.

Redman, Plumville, Mrs. Mattie Lynch, Rectorville, and Mrs. Dr. Downing and daughter, Sardis.

The bridegroom is a prosperous farmer of Fleming County, while his bride is one of Mason's most estimable young ladies. The wedding gifts were numerous and very handsome.

The couple left on the afternoon train to spend a few days in Cincinnati.

Gov. Roosevelt will speak in Maysville Oct. 15th at 4:35 p. m. on his tour of Kentucky. Republicans will erect a stand at foot of Sutton street for the meeting.

John Brady, colored, was fined \$50 and costs by Squire Grant this morning for pointing his arms at the little son of Mr. Robert McGlone. Brady met the boy on Bridge street last evening and by threats tried to make the child give him a package of goods.

We are showing an elegant line of goods suitable for bridal presents. Never has my stock been as large. We are offering 20 per cent. off of every article in the house. Prefer doing this rather than move the goods. Yours for bargains.

MURPHY, the jeweler.

River News.

The Catlettsburg Independent says that Captain Wm. Bay has been granted the exclusive wharfage privilege at Ironton for one year, he paying 75 cents per day for said privilege.

A new transfer barge was launched at Howard's shipyards yesterday for the C. and O. railroad, which will be used at Ironton. It is 240 feet long, twenty-two feet wide and six feet deep.

Pittsburg Press: "Captain J. M. Phillips was at St. Louis Saturday with a view of purchasing the packet City of Paducah, which is owned by the St. Louis and Tennessee River Company. In case the deal is consummated the City of Pittsburg will appear no more at Pittsburg. She will be placed in the Cincinnati and Cairo trade while the City of Paducah will take her place between Pittsburg and Cincinnati. This will probably be a good move as the City of Pittsburg is so large that she cannot navigate in low water, while the City of Paducah is much smaller and built on the plan of the other Pittsburg and Cincinnati boats. The removal of the City of Pittsburg from this territory will be regretted by many, as she is one of the handsomest boats that ever came into port."

JAMES N. KEHOE.

Deserved Tributes to Democracy's Nominee For Congress, Who Has Worked His Way to the Front By His Own Efforts and Courage.

IN SYMPATHY WITH THE MASSES BY REASON OF HIS OWN STRUGGLES.

PICTURE OF OUR NEXT REPRESENTATIVE.

James N. Kehoe, the nominee of the Democratic party for Congress in this district, was born in Maysville July 15th, 1862, and has spent his life in his native city. He received his education in the local schools and after leaving school learned the printing trade. Owing to his remarkable aptitude for the business he soon attracted attention by his skill, and at the age of eighteen he was employed as foreman and manager of a newspaper office, while the age of twenty-two found him the proprietor of a job printing office, in which he earned a reputation for high-class workmanship that soon made the business very profitable.

Though recognized as an expert printer, and the sole proprietor of a business at the age of twenty-two which a less ambitious man would have considered the crowning success of a laborious life time, Mr. Kehoe disposed of his business to begin the study of law, an ambition which he had cherished from boyhood, having earned by his own efforts enough money to enable him to take a complete course in his chosen profession. Entering the law office of Hargis & Eastin, Mr. Kehoe spent three years in preparing himself for the bar and was admitted to practice by the Judges of the Court of Appeals.

Beginning the practice of his profession in Maysville his ability was at once recognized at a bar composed of some of the ablest lawyers in Kentucky, and as a result of his integrity and industry he was soon enjoying a lucrative practice. He has, in the course of his professional career, had valuable and extensive interests intrusted to his keeping, which have without exception been handled successfully.

Shortly after beginning the practice of law he was tendered, without solicitation upon his part, the office of City Attorney, which he filled acceptably to the city authorities for several years and then resigned to accept the Master Commissionership of the Mason Circuit Court, tendered him by Judge Harbeson of the Maysville Judicial district in 1893, which place he has held continuously since his appointment. The records of this court and the litigants for whom he has transacted business bear unimpeachable evidence of his clean-handed and capable administration of this office.

Until 1898, when Mr. Kehoe became a

candidate for the Democratic nomination in this Congressional district, he had never asked for an office at the hands of the people, and though defeated for the nomination by the fraction of a vote in the Cynthiana convention, at a personal and financial sacrifice to himself he perfected an organization in his own county which resulted in an increased majority for the Democratic nominee.

It was this unselfish devotion to the principles of Democracy which attracted the attention of the Democrats throughout the district to him and resulted in his nomination at Calcuttsburg this year without opposition, it being conceded by all that he possessed more elements of strength than any other man in the district.

While never having been a candidate for office before, Mr. Kehoe has been a faithful party worker. He has served

the Democratic party with unselfish devotion ever since he became a voter and has been used by it as precinct committeeman, Chairman of the county and district committees, at the polls, in its councils and on the stump. No man in Kentucky of his age has rendered more constant and valuable service to his party, and his election to Congress will be a greater benefit to the party than to himself. The Democrat who cannot vote for him would not vote for Jefferson himself if he were a candidate.

The efforts of Mr. Kehoe have been crowned with success to a marked degree, and his success has been achieved in the place of his nativity, where he has been known longest and best, and those who thus know him have learned that in his character are blended elements which command the respect of foes as well as admiration of friend. IN TOUCH WITH THE BUSINESS INTERESTS BY REASON OF HIS EXPERIENCE.

fine estimate of Mr. Kehoe's personal worth is aptly expressed in the following article, clipped from a paper politically opposed to him: "As to the Congressional race in this district, but little need be said. For once at least the imperial Democracy of the Ninth district has found a candidate whose personal character has not been discredited by his political career. He has been a faithful, zealous partisan, and he has also been an upright, industrious man, as the official records of the county abundantly attest. If there be salvation in perfect partisan consistency, Mr. Kehoe and the Democracy of the Ninth district stand among the redeemed. Politics apart he will always command respect. He is a man of good character, a kindly generous disposition and good sound common sense."

When we consider the fact that the above sketch appeared in an organ which is bitterly arrayed against the regular Democratic party, there remains no doubt of its sincerity.

But to fully appreciate the subject of this sketch his home life must be considered. The idea that participation in politics is incompatible with a clean, upright life finds here a living refutation. Surrounded by his family, consisting of his wife and four children, in his beautiful home in the West End of the city of Maysville, Jim Kehoe, as his neighbors and friends familiarly call him, represents an ideal type of American citizenship. He is simple and unostentatious in his tastes, using neither tobacco or liquor in any form. In all the relations of life he is clean, capable and conscientious, standing at all times for that morality and sobriety which are the well-springs from which Democracy draws its vitalizing force.

His career is an inspiration to every young man who is beginning the battle of life dependent upon his own exertions; it shows us that merit and patience will have their reward.

In sympathy with the masses by reason of his own struggle, and in touch with the business interests of the country by reason of his experience and associations, he will make for this district a Representative of its whole people, who as a great brotherhood of American citizens are interested in the welfare of a common country.

LADIES' and MISSES' TRIMMED HATS

Our stock of French Pattern Hats is now complete. We are showing a greater variety of styles this season than ever before. Our success in this department convinces us that ready-to-wear millinery has come to stay. The hats we show are patterned after the very latest styles shown in the larger cities of the East, and it stands to reason that, being purchased in such large quantities as we buy them, they can be sold very much cheaper than you will find 'em elsewhere. You may have some prejudice against buying a ready-to-wear Trimmed Hat. Examine ours and we believe you'll change your sentiments. Prices \$1.75 to \$5.98.

REAL EXCELLENCE IN DRESS GOODS.

Critical and reliable judges have pronounced our Fall Dress Goods stock the best ever shown in this community. The semi-annual visits of our buyer to the Eastern markets make the above assertion appear merely as a reasonable expectation. The very latest fabric creations are displayed here. In blacks you'll find the new Satin Cloths, Soliels, Lizard Cloths, Clay Worsted, Cheviots, Venitians, in prices from 69c. to \$2.25. And then, too, those Camel's Hair Golf Cloths, Plaids, Knickerbockers, Zibelines, &c., from 29c. to \$1.98. It's a stock worthy of your inspection. You need not buy.

NEW MERCERIZED UNDERSKIRTS.

We haven't the space to say much about them. Briefly, they're the best we have ever shown. Nearly all come with large accordion plaits. Prices from 89c. to \$4.98. Blacks and all colors.

The secret was so well kept that none found it out and several of the papers have been announcing that the wedding would take place this week. There was no objection to the marriage, the young couple preferring it to take place in the romantic fashion which was carried out so successfully and which to-day is such a surprise to the friends of the popular couple.

The bride is the daughter of Mr. and Mrs. James H. Hutchison, of Keene, and has been living at her own home since the marriage, and the groom quietly pursuing his business duties in the city, making occasional calls upon his wife in the capacity of a devoted lover.

The news was finally announced to both families and Wednesday evening at the home of Mr. and Mrs. Hutchison there was a reception to relatives and friends and Mr. Strode will formally claim his bride and bear her off to his home in Lexington. They will reside with his parents, Dr. and Mrs. J. T. Strode, at 63 North Mill street, the house having been lately purchased and handsomely fitted up and furnished.

The groom is an expert stenographer and bookkeeper, having lately taken a position with Speyer & Son. He is an accomplished singer and has been quite a favorite in society since making his home in Lexington.
